Mr. Barney M. Knight

Dear Max:

Your participation at the Executive Seminar on 5 November received extremely favorable comments from our newly-appointed Intelligence Officers. They viewed your thoughts and insights as valuable information for them to have in understanding how senior executives operate in private industry--specifically your problems, constraints, and opportunities and how you go about handling them.

I appreciate very much your continued support in providing meaningful developmental opportunities for our officers. Thank you for the time and enthusiasm you put in this program.

Sincerely,

Director
